Proceedings of the Madras Government, Revenue Department,
8th November 1876.

No. 99. Read the following Proceedings of the Board of Revenue, dated 25th April 1876 :—

Read the following letter from H. W. BLISS, Esq., Acting Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Shembaganur, 8th April 1876, No. 137.

With reference to paragraph 30 of the Board's Proceedings, No. 430, dated February 14th, 1876, I have the honor to point out that probably by accident it has not been proposed to allow the Kodaikanel Hill Deputy Tahsildar's Gumastahs the increased salaries proposed for servants of the same position on the Nilgiris and Shervaroys, on account of the greater expense of living there and of the unsuitability of the climate to Natives. I would respectfully submit that these considerations apply with even greater force to Kodaikanel than to other hills. Kodaikanel is much colder than either the Shervaroys or Coonoor, and more warm clothing and firing are, therefore, absolutely necessary there for the preservation of health. Living is also at least as dear there. Kodaikanel, too, labors under a special disadvantage in the absence of houses suitable for people of this class. I would, therefore, request that the scale of the Coonoor Deputy Tahsildar's Office be adopted for that at Kodaikanel.

Submitted for the favorable consideration and orders of Government in continuation of the Board's Proceedings, dated 14th February 1876, No. 430.

Sir,

With reference to para 30 of the Board's Proceedings No. 430 dated February 14th, 1876, I have the honor to point out that, probably by accident, it has not been proposed to allow the Kodaikanal Hill Deputy Tahsildar's Gumastahs the increased salaries proposed for servants of the same position on the Neilgherries

and Shevaroys, on account of the greater expense of living there and of the unsuitability of the climate to natives. I would respectfully submit that these considerations apply with even greater force to Kodaikanal than to other Hills. Kodaikanal is much colder than either the Shevaroys or Coonoor, and more warm clothing and firing are therefore absolutely necessary there for the preservation of health. Living is also at least as dear there. Kodaikanal too labours under a special disadvantage, in the absence of houses suitable for people

people of this class. I would therefore request that the scale of the Coonoor Deputy Tahsildar's office be adopted for that at Kodaikanal.
