To be in Revenue District - Approving the instructions issued by the Board of Revenue to the Collector to fill the many tanks as he can from the Irrigation Company's Canal.

they apply.

2. I am sorry to say I cannot tell now what will be the cost of filling the tanks - the Irrigation Company have means of measuring water only at Mundial, Canallu and Ayavarikodur & I do not think that any other tanks can be filled from the Canal.

3. If the Board of Revenue will allow me to have these tanks filled, I should be much obliged if they would telegraph to me.

4. If I find that any other tanks can be filled from the Canal, I will ask the Board for a like sanction.
