No. 347. Read the following letter from Lieutenant-Colonel J. H. M. SHAWSTEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 5th June 1876, No. 279:—

REFERRING to paragraph 4 of the Proceedings of Government, No. 1,632, dated 18th June 1874, I have the honor to submit a bill, amounting to Rupees 6,206-11-3, for work done in filling in the rice-fields for the new play-ground to be made over to the Civil Orphan Asylum, and to request the sanction of Government for the repayment of this sum to the Railway Company.

2. The authorities of the Asylum now ask that a wall round the new play-ground may be undertaken. The erection of an enclosure wall has never been authorized, although frequent reference has been made and sanction accorded to the new play-ground in lieu of that portion of the old one which has been made over to the Railway Company. The work, however, appears to be necessary, and the closing of a portion of the Male Asylum road by the erection of this wall was contemplated by the Collector in his letter dated 28th February 1874, in which Mr. Webster explained that access to the houses lying between the paddy-fields and Whannel's Road could be obtained without the construction of a road along the boundary of the new play-ground as was at first proposed.

3. I have requested the Agent to furnish an estimate of the cost of building this wall, and on receipt it shall be submitted for the orders of Government. The position of the wall, as shown on the enclosed plan, extends from A to A, with a short piece across the road at B, and the total length will be about 1,000 feet.

No. 101, return requested.

No. 348. ORDER THEREON, 20th June 1876, No. 1,538.

RAILWAY, No. 40.

THE disbursement of the sum of Rs. 6,206-11-3 for filling in the new play-ground is authorized from the budget provision for State outlay in connection with Guaranteed Railways. The submission of the estimate for a compound wall will be awaited.
