30th June 1876. No. 712.*

Emigration.

Read the following papers :—

No. 90. From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 20th May 1876, No. 3510.

Administrative Department.

I have the honor to report, for the information of His Grace the Governor in Council, that the s.s. *Pearl* arrived at Negapatam on the 16th instant from the port of Karikal, where she had embarked 186 passengers for Penang. At Negapatam she took in 148½ other passengers for the same port, the total number aggregating 334½ souls. On the 18th instant one of the passengers died of cholera on board, and the vessel was placed in quarantine for three days. From daily reports I have received by wire no new cases seem to have occurred, and I have this day directed the Master Attendant, Negapatam, to let the vessel proceed on her voyage to Penang.

2. From the foregoing circumstances it would appear that the deceased passenger carried the germs of the disease with him on board from Negapatam, and it becomes a question for grave consideration whether the emigration from ports in the Tanjore District, where I am informed cholera has again broken out virulently, to the Straits of Singapore and Burmah should not be prohibited temporarily, until such time as the health of the neighbourhood is improved.

No. 774.

Referred to the Collector of Tanjore for early report.

OOTACAMUND,
22nd May 1876.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 91. From H. S. THOMAS, Esq., Collector of Tanjore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Point Calimere, 10th June 1876, No. 2146.

With reference to your endorsement dated 22nd May 1876, No. 774, on the letter of the Master Attendant, Madras, suggesting the expediency of temporarily stopping emigration from Negapatam during the prevalence of cholera, I have the honor to refer you to my letter of the 13th September 1875, No. 4322, disposed of in G.O., No. 1486, dated 12th October 1875. There is no doubt that cholera is still prevailing in the district.

No. 92. ORDER THEREON, 30th June 1876, No. 712.

Communicated to the Master Attendant, Madras, with copy of G.O., Revenue Department, dated 12th October 1875, No. 1486.
