Proceedings of the Madras Government, Revenue Department,
14th November 1876.

No. 210. Read the following Proceedings of the Board of Revenue, dated 5th October 1876, No. 2,517:—

Read the following letter from A. McC. WEBSTER, Esq., Collector of South Canara, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sullya, 4th September 1876, No. 1,722:—

As five years have elapsed since the last census was taken on 15th November 1871 (1281), I have the honor to request that the Board of Revenue will be pleased to favor me with instructions as to whether a census is to be taken this year, and if so, the date on which the enumeration is to take place.

THE Collector should arrange for making the usual quinquennial return of population due for fasli 1286, the last census having taken place in fasli 1281. A regular census is not contemplated at present, and the Board do not find from the correspondence preceding the census of 1871 that it was intended to make such enumerations at decennial or other regular intervals. The quinquennial returns in the old forms, though not accurate, may not be altogether without utility.

2. These Proceedings will be submitted to Government.

Acting Secretary.

Miscellaneous.

THE Government approve these Proceedings. It is presumed that the population as ascertained by the last census will be shown in the returns.
