November 1876, No. 524.

With reference to Board's Proceedings communicating G.O., dated 31st October 1876, directing me to report on the subject of increasing the pay of subordinate officials, I have the honor to recommend that the pay of servants drawing Rupees 10 and less in this district may be raised to Rupees 3 as in Bellary. The increase should, I think, be given alike to subordinates of the Government as well as the Local Fund Board; if this is sanctioned I beg to be informed from what source the increase to the Local Fund subordinates is to be paid; it will not be very much if it were, or the Local Fund Board could not afford it. There is a Gumastah on Rs. 12 in the Local Fund Board's Office. I would recommend that his pay be raised to Rupees 13 temporarily in order that he might get at least as much pay as a man on Rupees 10 would with his additional allowance of Rupees 3.

Submitted to Government with reference to G.O., dated 31st October 1876, No. 1,541.

2. The Collector proposes to grant to servants drawing Rupees 10 and less an increase of Rs. 3 per mensem as in Bellary; and that a certain Local Fund Gumastah who has Rupees 12 may be allowed Rupees 13.

3. The Board recommend that his proposals be sanctioned with effect from 1st November. In their Proceedings, No. —, dated 9th November 1876, the Board have expressed the opinion that the increase of salary granted to all servants should be charged to relief funds.
