Proceedings of the Madras Government, Revenue Department.
15th November 1876.

No. 237A. Read the following Proceedings of the Board of Revenue, dated 20th October 1876, Miscellaneous No. 9,014 :—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 17th August 1876, No. 56.

I HAVE the honor to submit, for favorable consideration, an application from Mr. Hill, of Kotagherry, for a plot of mixed forest and scrub, 50 acres in extent, about a quarter of a mile from his Coffee Estate at Kodanad.

2. This application was made in 1874, but Mr. Hill desired it might stand over for disposal under a new set of land rules in contemplation.

3. As these rules are not likely to be published for some time, Mr. Hill wishes the land to be sold under the existing rules.

4. There is a Cattle kraal on it which is used by Burghers and by Todahs in the dry weather. The nearest Todahmund is about half a mile from the land, and the nearest Burgher village is 2 miles off.

5. The kraal cannot be termed the property of either Burghers or Todahs, because neither pay for the site which is, in fact, an appropriation on Government land.

6. The forest officer has no objection to the sale of the land. A sketch is enclosed.

2. The Conservator of Forests has no objection to the sale of this land.

No. 237B. ORDER THEREON, 15th November 1876, No. 1,676.

Miscellaneous.

IT does not appear that the land has been inspected either by the Commissioner or the Assistant Commissioner or even the Deputy Tahsildar. As portion of the land is already in the occupation of the Todahs, its alienation may interfere with the convenience of the people of the neighbourhood. The Commissioner will, after personal inspection, report how long the kraal has been in existence, and whether or not it is much used for cattle. The Commissioner will be careful to see that the estimated extent is approximately correct.
