Pro *dras Government, Revenue Department,*
h November 1876.

No. 238. Read the following Proceedings of the Board of Revenue, dated 26th October 1876, No. 2,672 :—

Read the following letter from P. SUBBIEN, Deputy Collector, Salt Department, to J. G. HORSFALL, Esq., Acting Collector of Madura, dated Muthuregunadapatam, 22nd September 1876, No. 260 :—

ADVERTING to the correspondence noted in the margin, I have the honor to report that the season for opening the fish-curing yard at Nadupaud will be about the middle of October next, and to request therefore that sanction may be obtained for incurring the following expenses in connection with the establishment :—

G.O., dated 12th April 1875, No. 576.
" " 11th March 1876, " 362.
" " 29th June " " 867.

	RS.
Hire for carrying 1,000 maunds of salt from Muthuregunadapatam Salt Station to Nadupaud, at Rupees 1-8-0 per 10 maunds	150
Estimated cost of repairs to the sheds built for curing fish, storing salt, and for the accommodation of the Police and other establishment	15
Pay of a Clerk for six months, at 15 Rupees a-month	90
Pay of a 4th-grade Head Constable and four 1st-class Constables for six months, at 44 Rupees a-month	264
Total ...	519

2. In last year the charges for conveying salt were paid at 1 Rupee per 10 maunds, but the contractor having sustained a heavy loss in consequence of the difficulty he experienced in carrying the salt through swampy and sandy tracks, no one would offer now to undertake the task for a less remuneration than Rupees 1-8-0 per 10 maunds as above proposed.

3. No clerk was entertained in last year for conducting the experiment at Nadupaud, and the Assistant Superintendent of Muthuregunadapatam was deputed there. But this arrangement subjected the Superintendent of the salt station to hardship, inasmuch as the entire management of the station (the most important in the district) including the inspection of the several salt-cropping swamps attached to it devolved on him. Under these circumstances I have provided for a temporary clerk for Nadupaud in the same way as one has now been employed at the Attinkarai Yard under the sanction of Government, dated 11th March 1876, No. 362.

4. In the first of the Government Orders referred to in paragraph 1 above the Government sanctioned the entertainment of the Police guard for one year, and the term will expire by the time fish-curing at Nadupaud will commence. A fresh sanction is therefore solicited for a further period of six months.

5. I have no means of knowing what the allotment for "salt contingencies" has been for the current official year, as the budget sanction has not been yet communicated to me. If this item could not supply funds for the charges above recommended, they will have to be paid from "General Savings."
