No. 1102/96 A

Revenue Survey Office.
Chepauk
13th April 1876.

From

The Superintendent Revenue Survey.

To

The Secretary to Government,
Revenue Department.

SIR,

It will be observed that on my retiring, which I shall do very shortly, there will only remain six Military Officers in the Madras and one in the Coorg Survey in the grade of Deputy and Assistant Superintendent. The duration of the Department moreover is approximately fixed & in a very few years, it will have completed the work originally assigned it. On these grounds, I would respectfully urge the desirability of cancelling the Resolution of the Government of India

A 3927 dated 31st October 1872 which without notice and as far as I can ascertain contrary to the desire of the Madras Government

Government was passed in the absence from Council of the Viceroy and at one stroke of the pen withdrew from Military Officers all chance of promotion.

2 This order however, it may be observed, thought giving no prospective increased rate of pay to Uncovenanted Officers gave an immediate substantial increase unasked for to all but the few selected officers already in enjoyment of the rates by it ordained; these rates are a considerable advance on those originally sanctioned when the present Civil incumbents entered the service.

3 It is hardly necessary to point to the anomaly of Military Officers actually suffering a heavy pecuniary loss by promotion in the Department. This however will be the effect of the Resolution above quoted.

4 I would also beg that the pay of the future head of this Department may not if a Military man be

14/1628

be lowered to an amount of Rs 100 less than that of a Deputy Superintendent in Bengal.

5 The appended Tabular statement places before Government the financial result of adopting any one of the rates of pay which have been proposed for officers of the Madras Survey Department.

I have the honour to be
Sir
Your most obedient servant
J. Wellesley
Superintendent Ma Survey
