Proceedings of the Madras Government, Revenue Department,
15th November 1876.

No. 240. Read the following Proceedings of the Board of Revenue, dated 25th October 1876, Miscellaneous No. 9,167:—

Read the following papers:—

From S. H. WYNNE, Esq., Assistant Collector, to H. SEWELL, Esq., Acting Collector of Trichinopoly, dated 22nd September 1876, No. 312.

I HAVE the honor to forward, for favorable consideration, the accompanying petition of Dorasamy Pillay, Eighth English Clerk in your Office, doing duty under me, that he may be exempted from passing the General Test. He is forty years of age, and has been thirteen years in Government service, and he has passed the Test once in every subject but Geography, and twice in every subject but History and Geography. His knowledge of History and Geography is absolutely useless as regards the work to which he will be put in Government employ, and his age renders these subjects difficult for him to acquire. He is a very useful clerk, and I think it is at once unjust to him and detrimental to the interests of Government that this obstacle should be allowed to stand in the way of his employment in posts for which he is otherwise fitted.

—

From the same officer, dated 5th October 1876, No. 326.

In continuation of my letter, No. 312, dated the 22nd September last, I have the honor to inform you that there has been a slight mistake as to the subjects passed at the General Test Examination by Dorasamy Pillay. I forward a statement for 1873-1874, in which seen that in those three years he passed in all the subjects, though not all at the same examination. If the rule lately issued by Government, No. 259, dated 23rd May 1876, had then been in force, he would have been allowed the examination last year.

No. 241. ORDER THEREON, 15th November 1876, No. 1,679.

Miscellaneous.

THE Government have in several cases lately refused to give the order of the 23rd May retrospective effect. If

this applicant's prayer is granted, those whose petitions have already been rejected will have a grievance. The Government have made a great concession already, and applicant should have no difficulty in passing under the terms of that order.
