Bishops in Madura.

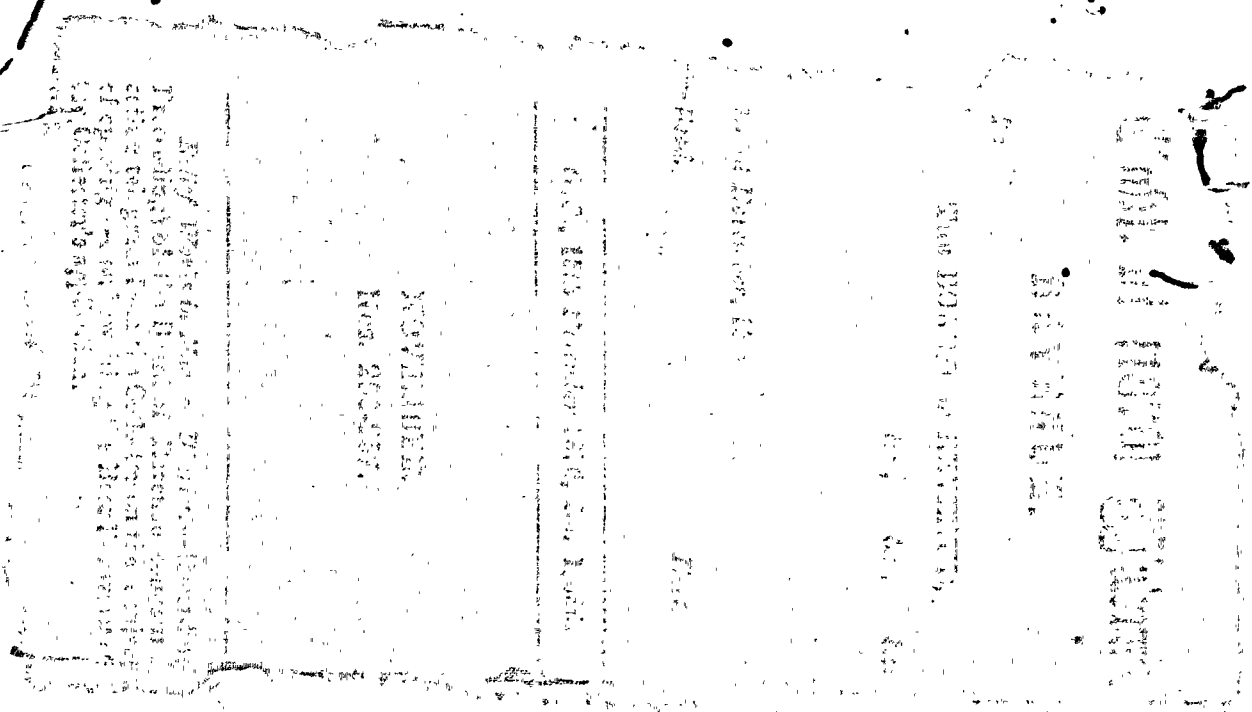

The Bp has sent us his letter to the Board (copy) - from which it appears that he wishes proposed are roads - A Map is put up.

2. But I submit a note from the Board's Secretary - they are doubtful if Relief works are as yet necessary - & subsequently we have heard by telegram that there has been some seasonable rain.

3. The Bd's further communication should be awaited.

The first was a letter from the
 author of the "Liberator" to
 the author of the "Liberator" and
 the second was a letter from the
 author of the "Liberator" to
 the author of the "Liberator"

The first of these is the fact that the
 system is not a simple one, but a
 complex one, involving many factors
 which are not easily understood or
 explained. The second is the fact
 that the system is not a static one,
 but a dynamic one, which is constantly
 changing and evolving. The third
 is the fact that the system is not a
 uniform one, but a varied one, with
 many different parts and components.
 The fourth is the fact that the system
 is not a perfect one, but an imperfect
 one, with many flaws and weaknesses.
 The fifth is the fact that the system
 is not a simple one, but a complex
 one, involving many factors which are
 not easily understood or explained.
