Proceedings of the Madras Government, Revenue Department,
16th November 1876.

No. 267. Read the following Proceedings of the Board of Revenue, dated 31st October 1876, No. 2,707 :—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th October 1876, No. 2,998.

I HAVE the honor, as anticipated in my letter, No. 2,948, of 24th instant, to forward copy of letter from the Acting Sub-Collector asking for sanction for an expenditure of Rupees 10,000 for certain relief works in the Kanigiri Taluq, and I request that the grant may be sanctioned distinct from the sum asked for in my letter noted above.

2. From the weekly reports which I have received and from other sources of information I can most fully support Mr. Hardinge's proposals, Kanigiri being about the poorest, most sterile, and most backward taluq in the district, and one of the least suited to meet the unfavorable seasons we have recently experienced. As I wish this letter despatched to-day, I have no time to enter into further details than that the poor generally are very badly off and in need of work and food.

3. As I so fully realize the necessity for immediate relief in that locality, and as the Acting Sub-Collector writes in his letter now forwarded that he expects to be at Kanigiri Droog on Sunday or Monday next, I have taken upon myself the responsibility, in anticipation of sanction, of placing Rupees 1,000 at Mr. Hardinge's disposal for immediate expenditure where the same is most needed in the taluq.

4. I am asking the Sub-Collector to send in further details of the proposed works.

5. I deem it not irrelevant to add that we have, as I write, some symptoms in the way of a clouded sky, north-east wind, and a few drops of rain, which indicate the rains of the north-east monsoon may be at hand.

6. I shall be obliged by the Board's orders on this letter being communicated to me by telegraph.

ENCLOSURE No. 1.

From T. VON D. HARDINGE, Esq., Acting Sub-Collector, to F. R. H. SHARP, Esq., Acting Collector of Nellore, dated Addanki, 25th October 1876, Extra No. 1.

I HAVE the honor to forward two Arzis (to be returned) from the Tahsildar of Kanigiri and a letter, No. 479, of the 1st October (to be returned), from Mr. Ottman, the Range Officer of the sub-division, and to request that a sum of Rupees 10,000 may be placed at my disposal in Kanigiri to set on foot the following relief works :—

(1.) Road from Kanigiri to Mogallore.
(2.) Road from Mogallore to Pamoor.
(3.) Repairing Kapu Kanama, a line from the Pullipully Station.

2. I think these works will meet with your approval without any remarks on my part as to their utility.

3. I am on my way to the Kanigiri Taluq now, and expect to be at the head-quarters of the taluq on Sunday or Monday next.

Proceedings of the Madras Government, Revenue Department,
16th November 1876.

THE Board sanction Rupees 5,000 for Kanigiri, but they wish to have more detailed information regarding that taluq and as to the works proposed before sanctioning more. The Collector's attention is called to the Government Orders regarding application for relief works. Rupees 5,000 were lately sanctioned for the Nellore District, and the fact that grain is being largely exported *thence to Cuddapah* tends to show that the latter district is in greater straits.
