No. 1,769.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th July 1876.

Read the following letter from G. D. LEMAN, Esq., Collector of Kistna District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 19th June 1876, No. 1,021 :—

I HAVE the honor to report on the district salt roads for 1875-76.

2. There is a road from Tiruvur to Bantumilli. It is a jungle-track cleared as far as Nuzvid; from there to Perikid, a good road. From Perikid to Wadali it is a raised earth-road with a bridge or causeway over all the water-courses that cross it; and from Wadali to Bantumilli (this last piece it has been usual to call a salt road) it is the same. There is no impediment to the Brinjaries who bring down their cattle to this kotaur to buy; and in dry weather the road is sufficiently good for a carriage to be driven along it.

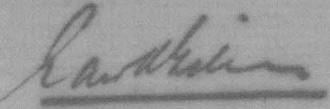

3. Masulipatam to Manginapudi is but a track in the sand; it is very heavy for wheel traffic. It is proposed, when funds can be allotted, to make a canal, when the road will not be wanted.

4. There is a fair road from Repalli to Nizampatam. The Local Fund Board have not yet been able to find funds for the road from here to Buddam.

5. The road to Chinna-Ganjam too is in fair order, and is quite passable for carts, save that one bridge over a small drainage in the swamp is under repair.

SUBMITTED for the information of Government with reference to G.O., dated 2nd October 1865, No. 2,379.

(A true Copy and Extract.)
