Revenue DEPARTMENT

G.O. No. / B.P.—No.	1711	Press / Mis.-
Dated	17-11-1876	-196-

Not to be folded or roughly handled

No. 305. Read the following Proceedings of the Board of Revenue, dated 14th November 1876, No. 2,828:—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 9th November 1876, No. 295:—

I HAVE the honor to forward copies of two letters* from the Sub-Collector.

* Dated 2nd and 3rd November 1876, Nos. 504 and 510, respectively.

2. I have already made application to Government for the investiture with 2nd-class powers of all the Taluq Sheristadars in the sub-division. Mr. Gribble's request to have in addition an extra Sub-Magistrate for each of the three taluqs of Royachoty, Madanapalli, and Kadiri is one with which I am quite unable to comply. There are no qualified men in the district. As the Government are now sending me some men of the Sappers, I shall send some of them to Mr. Gribble; they, by superintending the works, will set the Sub-Magistrates at liberty to do magisterial work.

3. Mr. Gribble requests that his Sheristadar, B. Teperumal Chetty, may be made a temporary Deputy Collector and invested with first-class magisterial powers. I have no personal knowledge of him myself, but, as Mr. Gribble considers him qualified, I hope that he may be invested with powers as first-class Magistrate.

4. In the case of Mr. Swan, Mr. Gribble asks that he be invested with the powers of a Deputy Collector, but I think that he should entirely confine himself to the relief works and magisterial duties, and not undertake the ordinary revenue duties of a Deputy Collector in which he has had no experience.

5. In the same way I think that B. Teperumal Chetty, if his appointment be sanctioned, should not perform the ordinary duties of a Deputy Collector, but confine himself to the relief works and his magisterial duties.

6. If B. Teperumal Chetty be appointed Special Deputy Collector, my Vernacular Head Clerk, T. Rama Row, is the fittest man to succeed him as Sub-Collector's Sheristadar; he has had long experience in the sub-division, and would be well qualified to hold the post. Unfortunately, he has not passed all the tests necessary to qualify him; he has not passed the Revenue Test, Lower Grade; he appeared at the last Special Test, and the results will shortly be known; so that I hope special sanction may be given for his appointment as Sub-Sheristadar, if the present Sheristadar be made temporary Deputy Collector.

7. I would propose that all the Sheristadars and Sub-Magistrates invested with second-class powers receive Rupees 70 pay. There are not a sufficient number of qualified men to appoint in place of all the Sheristadars, but I think, as a temporary measure, the first-class Revenue Inspectors or others, who were considered competent by the Divisional Officer, might be allowed to relieve the Sheristadars of their revenue work, and so allow them to devote their time to magisterial work.

ENCLOSURE No. 1.

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector of Cuddapah, to J. R. DANIEL, Esq., Acting Collector of Cuddapah, dated Madanapally, 2nd November 1876, No. 504.

I HAVE the honor to inform you that as yet no rain has fallen, and there no longer seems to be any hope of a north-east monsoon.

2. I therefore propose to start all the works mentioned in the list, copy of which has been already sent to you; other works will also have to be commenced, and I shall take the necessary steps to find out what can be done, and report for your sanction.

3. I have put off asking for any more assistance, in the hope that rain might render it unnecessary, but I can do so no longer. Cold weather has regularly set in, and the thermometer is in the morning as low as 62°—a certain sign that no more rain is to be expected. Crime has terribly increased, and two and three dacoities are reported every day. The Sub-Magistrates are all overworked, and I have, in addition, to look after relief works.

4. I beg therefore to request that all my Taluq Sheristadars and Sub-Magistrates may, as a temporary measure, be invested with 2nd-class powers, and that I may have an additional temporary Sub-Magistrate in each of the taluqs of Royachoty, Madanapally and Kadiri.

5. I understood also from Mr. Thornhill, that, in the event of distress continuing, there would be no objection to my applying for another temporary Deputy Collector to be placed in charge of a portion of the work. I therefore beg to recommend that B. Theperumal Chetty, my Sheristadar, may be invested with the powers of 1st-class Magistrate, and temporarily appointed as Deputy Collector, and I also beg to suggest that the powers of Deputy Collector may be conferred on Mr. Swan.

6. In the event of this being sanctioned, I beg that you will allow me to take T. Rama Row, your Head Clerk, as my Sheristadar; he was for many years my Head Clerk, and is thoroughly acquainted with the Sub-division.

ENCLOSURE No. 2.

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector and Joint Magistrate of Cuddapah, to J. R. DANIEL, Esq., Acting Collector and Magistrate of Cuddapah, dated Madanapally, 3rd November 1876, No. 510.

2. As there is no one in the Sub-division Taluqs, who is qualified by examination, I request that you will be pleased to appoint any other qualified men for Royachoty and Kadiri.

3. I am not aware what salaries the Sub-Magistrates will be entitled to, and, if it is anything above the grade of Taluq Sheristadars, I beg to nominate N. Kristna Row and Nagasa Row, the Taluq Sheristadars of Madanapally and Kadiri. If you approve of this, I beg I may be supplied with men fitted for Taluq Sheristadars to fill in their places.

To, H. E. Stokes Esqr.
Ag. Secretary to the Board of Revenue
Madras.

Sir, I have the honor to forward

1/2+3. Nov 1876 Nos 504+510, Revenue Ag. Copies of two letters from the Sub-Collector.

2. I have already made application to Government for the investiture with 2nd Class powers of all the taluq Sheristadars in the Sub Divisions of Mr. Grubbe's request to have, in addition, an extra sub Magistrate for each of the three Taluks of Rayachoty Madanapalli and Pileri, as one with which I am quite unable to comply, there are no qualified

men in the District, as the Govt
are now sending Reserve men
of the sappers I shall send some
of them to Mr Gibble if they, by
superintending the works, will
set the sub Magistrates at liberty
to do Magisterial works.

3 Mr Gibble requests that his
Sheristadar B. Tepurmall Chetty
may be made a temporary Deputy
Collector, and invested with 1st Class
Magisterial powers. I have no
personal knowledge of him myself
but as Mr Gibble considers him
qualified. I hope that he may
be invested with powers as 1st
Class Magistrate.

4 In the case of Mr Swan, Mr
Gibble asks that he be invested with
the powers of a Deputy Collector but

I

I think that he should entirely
confine himself to the relief works
and Magisterial duties and not
undertake the ordinary revenue duties
of a Deputy Collector, in which he
has had no experience.

5. In the same way I think that
B Tepurmall Chetty, if his appoint-
ment be sanctioned, should not
perform the ordinary duties of a
Deputy Collector but confine himself
to the relief works and his Magisterial
duties.

6. If B. Tepurmall Chetty
be appointed Special Deputy Collector
my Vernacular Head Clerk T. Rama
Row is the fittest man to succeed
him as Sub Collector. Mr Sheristadar
he has had long experience
in the Subdivision and would
be well qualified to hold the
post

post. Unfortunately he has not passed all the tests necessary to qualify him. He has not passed the Revenue Test Lower grade. He appeared at the last special test and the results will shortly be known. It is that I hope special sanction may be given for his appointment as sub Sheristadar of the present Sheristadar be made Temporary Deputy Collector.

9. I would propose that all the Sheristadars and Sub Magistrates (Taluk) invested with 2nd Class powers receive Rs 70 pay. There are not a sufficient number of qualified men to appoint in place of all the Sheristadars, but I think as a temporary measure the 1st Class Revenue Inspectors or Sheristadars who were considered Competent by the Divisional officer might be allowed to relieve the Sheristadars of their Revenue work and so allow them to devote their time to Magisterial work.
