*Proceedings of the Madras Government, Revenue Department,
18th November 1876.*

No. 311. Read the following Proceedings of the Board of Revenue, dated 25th October 1876 :—

Revenue Department, dated 12th October 1876, No. 1,463, passing orders on comparative statement of collections of revenue in several districts of Madras Presidency up to 30th June 1876.

THE large decrease in the collections of Chingleput and South Arcot in fasli 1285 is due partly to unfavorable season and chiefly to the unusually large collections in the preceding year owing to favorable seasons and to the prompt measures adopted in that fasli for the realization of revenue. Compared with the average collections of years previous to fasli 1284, those of fasli 1285 stand as shown below :—
