No. 23. Read the following Resolution of the Government of India in the Financial Department (Expenditure—Stores), dated Simla, 27th June 1876, No. 1089 :—

Inconvenience having resulted from the insufficient or inaccurate descriptions of articles for which indents are sent to the Secretary of State, the Governor-General in Council is pleased to remind all officers indenting for stores from England that a full and accurate description of each article should be given in the indent itself, and that, as a rule, it should not be left either to the superior authorities in India or to the Secretary of State to ascertain what is wanted by reference to accompanying correspondence.

2. Usually, such correspondence need not be sent with the indent; but if in any case its transmission appears clearly necessary, then there should be a particular reference to it upon the face of the indent so as to ensure that it shall not be overlooked.

Ordered that this resolution be distributed for information and guidance as follows :—

1.—To the several departments of the Government of India.
2.—To the several Local Governments and Administrations.
3.—To the several Chiefs of Departments administered by the Government of India in the Financial Department.

Under Secy. to the Govt. of India.
