*Proceedings of the Madras Government, Revenue Department,
21st November 1876.*

No. 349. Read the following Proceedings of the Board of Revenue, dated 7th November 1876, Miscellaneous No. 9,563 :—

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 17th July 1876, No. 235.

With reference to paragraph 4 of the Board's Proceedings, No. 1,305, dated 19th May 1876, I have the honor to submit a statement showing separately the portions of the collections of the past six years derived from the sale-proceeds of fire-wood trees in tank-beds and banks and of those on Government lands.

2. In 1872-73 a large quantity of fire-wood and other jungle-wood trees which had been for many years growing in the beds of the Perambore and Vasurpaudy tanks was sold by public auction, and hence a large sum was credited to Government in that year.

3. In reply, to the Board's inquiry as to what action was taken under the Board's Proceedings, dated 11th August 1875, No. 2,248, I beg to report that the sale-proceeds of fire-wood trees in tank-beds and banks and on Government lands were from the commencement of the year 1875-76 credited to Land-revenue, Miscellaneous, under the Board's Proceedings, No. 1,331, dated 17th May 1875. On receipt of the Proceedings of the 11th August 1875, the portion of the collections derived from tank-beds and banks was transferred to Irrigation Revenue under Public Works. For receipts credited previous to the date of the Board's Proceedings, Memorandum of alterations was sent to the Board (*vide* Note in Progress Statement for October 1875).
