REVENUE DEPARTMENT,
FORT ST. GEORGE,
21st November 1876.

No. 360.

No 1,740.

To

THE CHIEF COMMISSIONER OF MYSORE.

Miscellaneous.

Sir,—I am directed to acknowledge the receipt of your letter, dated 18th September 1876, No. 5,939/R17, with its enclosures.

2. His Grace the Governor in Council regrets that the Commissioners appointed for the settlement of the boundary between Punganur and Mysore were unable to arrive at a decision. He considers it very desirable that a fresh Commission should be appointed with full powers to settle not only the particular claims now preferred, but to fix definitely the boundary between the Zemindari and the Mysore State along the whole line, disposing summarily of any claims which may be put forward by the border villages, whether belonging to Punganur or Mysore. He is assured that you will coincide with him in the opinion that it is most desirable to settle this boundary question in a manner that will effectively prevent future troubles among the border people.

3. His Grace the Governor regards favorably your suggestion that the new Commission should consist of two officers of the Mysore and Madras Revenue Survey Departments, and is prepared to appoint a superior European Survey Officer for the work, provided the Mysore Government depute an officer of equal rank to act with him. These Commissioners should be fully empowered to settle finally the boundary line, their decision to be binding on both Governments. It may, however, be necessary to appoint an arbitrator in case of difference of opinion between the Commissioners. In such an event, I am directed to state that His Grace the Governor would suggest that Mr. H. E. Sullivan, a Member of the Madras Board of Revenue, be selected. Mr. Sullivan, on the previous occasion, performed the work entirely to the satisfaction of this Government, and it is believed to be of Mysore also.

4. With regard to Mr. Cox, I state that that gentleman has been informed that the Government regret the official courtesy shown by him in conducting the investigation.

I have the honor to be,
Sir,
Your most obedient servant,

(sd) D. F. CARMICHAEL,
Secretary to Government.
