Proceedings of the Madras Government, Revenue Department,
21*st November* 1876.

No. 375. Read the following Proceedings of the Board of Revenue, dated 10th November 1876, No. 2,797 :—

Read the following letter from H. Sr. A. GOODRICH, Esq., Acting Collector and President of the Local Fund Board, Vizagapatam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 2nd November 1876, No. H.

In sending the enclosed post-copy of a message this day despatched, I have the honor to add that the cyclone of the 8th appears to have dispersed the gathering clouds of the north-east monsoon, and from that day to the 28th we had dry windy weather. On the latter date, the indications of rain were again noticed, but another heavy gale, of whose exact local influence we are not yet informed, drove off the rain again. There is no water in the many tanks breached by the cyclone, and the crops are every where perishing for want of rain.

2. Last night a heavy shower fell here, but it may have been local. The appearance of the weather is, however, such as to lead us to hope for rain. As the dry crops were a partial failure, the failure of the wet will be this year doubly felt. I estimate our crops, if we have ten days' seasonable rain immediately, at probably nine or ten Annas; failing heavy rain at four Annas or less.

Enclosure No. 1.—Post-copy of Telegram.

Letter to Government in continuation of Board's Proceedings, dated 9th November 1876, No. 2,787.

2. The above letter from the Collector forwarding copy of the alarming telegram submitted to Government with the above Proceedings is somewhat re-assuring. The Collector says nothing of the alleged need for providing employment and food for the people. His report in reply to the Board's telegram must be awaited.
