*Proceedings of the Madras Government, Revenue Department,
21st November 1876.*

No. 377. Read the following Proceedings of the Board of Revenue, dated 18th November 1876, Miscellaneous No. 10,067:—

Read the following telegram from the Collector, dated 18th November 1876.

Rinderpest reported from South Wynnad. Please send Veterinary Surgeon Western if possible.

SUBMITTED for the orders of Government.

2. Veterinary Surgeon Western's services are no longer at the Board's disposal, and they are not aware whether he can be spared. The Collector should report particulars of the outbreak as soon as possible.

(A true Copy and Extract.)

(Signed) H. E. STOKES,
Acting Secretary.

No. 378. ORDER THEREON, 21st November 1876, No. 1,750.

Miscellaneous.

The Collector will be informed by telegraph that Mr. Western is not available; but Veterinary Surgeon Adam's services have been spared for the duty, and he will join forthwith. In the mean time, the following Notification will be published in the *Fort St. George Gazette* this evening:—

"Agreeably to the power vested in him by Section 1, Act No. II of 1866 (Madras), 'An Act for the prevention of the spread of disease among cattle in the Madras Presidency,' the Governor in Council is pleased to direct that the said Act shall be forthwith put in force in the district of Malabar."

2. This will enable the Magistrate to establish hospital pounds in such places as he shall determine. It should be made a special instruction to the keepers of the pounds or other person thereto authorised by the Magistrate to destroy any animal either before or after it has been impounded, if the disease is certified to be of the contagious and infectious nature which marks the real Rinderpest.

(True Extract.)

(Signed) D. F. CARMICHAEL,
Secretary to Government.

To the Board of Revenue.
