No. 382. From R. W. LODWICK, Esq., Accountant-General, Madras, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Fort St. George, 8th November 1876, No. 490.

With reference to the Proceedings of the Madras Government, No. 1,513, dated 24th October, and No. 1,584, dated 6th November 1876, I have the honor to state that appointments made for the supervising famine relief works require the sanction of the Government of India if the persons appointed are to receive increased pay or acting allowances on account of these works; as such increased pay and salary, though charged at present for these works, will in future entail extra cost to the State in the way of leave allowances, &c.

2. Mr. Swan's pay in his permanent appointment is Rs. 200 with Rs. 15 horse allowance, whereas his emoluments on the famine relief works are Rs. 215 consolidated. This increase of pay, together with the acting allowances sanctioned for the Taluq Sheristadars in the Order of the 6th instant, should be reported to the Government of India for confirmation.

No. 383. From the same officer, dated Fort St. George, 9th November 1876, No. 501.

In continuation of this Office letter, No. 490, dated 8th November 1876, I have the honor to state that the Proceedings of Government, No. 1,581, dated the 6th instant, require the confirmation of the Government of India.

No. 384. ORDER THEREON, 22nd November 1876, No. 1,754.

Miscellaneous.

pressing nature and debited to relief works, should still be reported to the Government of India, and their sanction obtained for the same, specially as they might indirectly entail further charges on the State in the shape of increased leave allowances, &c., not provided for at present by debiting the Relief Funds.

2. The Government observe that the authority to incur the further charge above referred to is necessarily implied in that sanctioning increases to establishments; and need not be separately reported to the Government of India, who have already been informed of the appointment of Mr. Pickle to the Board and the additions to establishments in the Provinces.

The accountant-general
seems to think that
the increased charges, being
passed because they are
of a pressing nature,
debited to relief works,
should still be reported to
the Govt of India & their san-
ction obtained for the same
specially, as they might
indirectly entail further
