Proceedings of the Madras Government, Revenue Department,
23rd November 1876.

No. 403. Read the following Proceedings of the Board of Revenue, dated 6th November 1876, No. 2,749, Forest No. 95:—

Read the following Proceedings of the Madras Government, dated 29th September 1876, No. 1,383, Revenue Department:—

ABSTRACT.—*Detailed Statement of Receipts and Charges of the Forest Department for* 1875-76.—Ordering to forward to Government of India letter from Conservator of Forests submitting —; calling upon the Conservator to explain why the forest officers concerned failed to supply vouchers in support of the charge for certain timber supplied to Public Works Department; and asking the Board to report whether the present system causes needless delay.

THE Board do not think that the system of Forest officers submitting their periodical returns through the Collector of the district requires alteration. It is an advantage to have the accounts examined in the Collector's Office before they are sent to the Conservator, and it is desirable that the Collector should have an opportunity of making his own remarks in regard to the fluctuations in receipts and charges. The system ought not to cause more delay than a week or two at the outside, and the Conservator is requested to report whether the returns under notice had been detained in the Collectors' Offices for a longer time, and if so, in what districts.

Acting Secretary.
