PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th July 1876.

Read the following Proceedings of the Madras Government, dated 16th May 1876,  
No. 628, Revenue Department:—

ABSTRACT.—*Guards supplied for preventing unlawful removal of Spirits from Distilleries.*—Communicating, with remarks, to the Judicial Department, Proceedings of the Board of Revenue relative to the question whether the renters are liable to pay pensionary charges on account of—

COMMUNICATED to all Collectors of Excise Districts who will observe that pensionary contribution must be recovered from Government Servants transferred to temporary employment as gaugers to enable them to count their service for pension. The Collectors of those districts, therefore, in which such transfers have taken place, should make the necessary application on their behalf under Section 35 of the Pension Code, give particulars of the charges now met from the renter's contribution, and state whether there is a sufficient surplus to meet the pensionary charge or whether the gaugers' salary can be reduced so as to bring it with the pensionary charge within the amount paid by the Contractor. As regards arrears of pensionary contribution, the Board presume the charge must be met by Government, as it would be unreasonable to call upon the Abkari Renters to defray the charge. The requisite provision will be made in future agreements.
