To

The Secretary to the Board of Revenue
Madras

Sir,

I have the honor to bring to
your notice that so far back
as June 1872 a sum of Rs 60-15-0 was
remitted to the collector of Cutch
and the Superintendent of the Govt.
Press Madras on account of
Coxiga and English copies of the
General Stamp Act XVIII of 1869
and Court fees Act VII of 1870, (as
detailed in the margin) obtained
for sale to the licensed Stamp
Vendors

50 Copies of General Stamp Act No 12-8-0

50 English do of do do 25-0-0

50 do of do do 23-7-0

Rs 60-15-0

Vendors in this District. The amount was debited to the head "Advances Recoverable" with the intention of recouping the amount gradually as sales were effected. Only 12 copies however, valued at Rs 9-0 have been sold upto date and a sum of Rs 51-15-0 therefore remains unadjusted.

2. Similarly Service Books to the value of Rs 30, were received from the Superintendent of Stationery in September 1872 for sale to non-gazetted officers with reference to Section 69 of the Civil Pension Code. Books valued at Rs 26-5-7 have been sold upto date and the balance viz Rs 3-10-5 is still outstanding against the head "Advances Recoverable".

3. The Accountant General has

has more than once called upon this office for the early adjustment of these two items and as the prospect of the further sales seems to be remote I request the Board's sanction for the adjustment of the outstanding balances viz Rs 51-15-0 and Rs 3-10-5 respectively to the debit of "Land Revenue Miscellaneous" and credit of "Advances Recoverable".

4. Any money that may hereafter be collected by the sale of other copies and books will be credited to Land Revenue Miscellaneous.

I have signed
for R Davidson
Collector, Bangalore

The Board consider that the amounts should be debited to 25 Miscellaneous and not to Land Revenue Miscellaneous. The Accountant General will be so good as to intimate which is the proper head.

2 The Board are of opinion
that the value of books yet
remaining unsold - viz Rs 51-15-0
may be debited to 25 Miscellaneous
and the same credited to
Advances Recoverable. It does
not appear necessary to write
it off to Profit and loss as
suggested

suggested by the Accountant
