*Proceedings of the Madras Government, Revenue Department,
24th November 1876.*

No. 456. Read the following Proceedings of the Board of Revenue, dated 20th November 1876:—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 18th November 1876, No. 308.

I HAVE been informed by the Hon. D. Arbuthnott and the Collector of Kurnool that a large quantity of grain has been ordered to Cuddapah for transmission to the Kurnool District, 500 tons for Cumbum and 500 tons for Nundial. I have already despatched to Cumbum in 83 carts all the grain that was in the hands of Messrs. Arbuthnot & Co.'s Agent; this amounts to about 40 tons, but this is quite independent of the grain ordered specially for Kurnool.

2. The remaining grain I shall despatch as soon as possible and as fast as carts can be procured. It will, of course, be impossible to procure carts for the whole quantity at one time, and there might be a difficulty in procuring fodder for so large a number of bullocks on the route. I have, therefore, the honor to suggest that this grain for Kurnool, or some portion of it, be sent by sea to the nearest port, either Kottapatam or Yepperpolliem whence I believe there is a good road to Kurnool.

SUBMITTED for the orders of Government.

2. The suggestion that a portion of the grain intended for the supply of Cumbum and Markapoor should be landed at Kottapatam and forwarded thence by carts ~~is not to the Board, and they think that arrangements should be made~~ accordingly to send such portion of the supply ordered as has not already been despatched by rail.

3. The Collector of Nellore will report what carriage can be made available weekly for the purpose, and on receipt of orders which will be communicated by telegraph will arrange for the transport of the same under escort.

4. Grain intended for the supply of Kurnool and the taluqs west of the Nullamallay Range must be forwarded by rail. All details of the arrangements for sending on grain delivered at the railway stations for Kurnool should be settled in communication with the Collector of that district or the Hon. Mr. Arbuthnott.
