*Proceedings of the Madras Government, Revenue Department,
24th November 1876.*

No. 469. Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, dated Fort St. George, 23rd November 1876, No. 550 :—

I HAVE the honor to observe that no positive information appears to be obtainable from the Revenue Board as to the demands likely to be made on the treasury during the next few months in consequence of the distress in the mofussil.

2. This information is much needed, as I am at present unable to put before the Comptroller-General my views on the financial requirements of this Presidency with any degree of certainty.

3. I therefore beg that His Grace in Council will cause an estimate to be framed for my information of the expenditure which is likely to be incurred during, say, the next six months.

No. 470. ORDER THEREON, 24th November 1876, No. 1,800.

Miscellaneous.

COMMUNICATED to the Board of Revenue for early report.

2. It is observed that information has already been furnished as regards requirements for relief works in the districts of Bellary, Cuddapah, and Kurnool (*vide* Board's Proceedings recorded in G.O., 8th November 1876, No. 1,603). The numbers in Bellary, according to the latest returns, are fast rising beyond 100,000; but as a portion will be drawn away for the canal work in Nellore, the old estimate may stand.

3. The suspension of collections ordered in some districts and the necessity for providing for ordinary and extraordinary charges in each district demand early attention; and the Board will obtain and furnish a careful estimate of the cash requirements for communication to the Accountant-General.
