Miscellaneous.

SIR,—Referring to your letter, No. 221, dated 25th May 1871, granting a life pension of Rs. 250 a-month to the representative of the Ranjanaguda family—I am directed to state that the stipendiary died towards the close of the year 1874; and to request that, in consideration of the short period for which he received the bounty of the State, some provision may be assigned for the support of those* who were dependent on him. His Grace the Governor in Council would suggest Rs. 21 a-month for each child, or Rs. 84 in all—being one-third of the pension that has now lapsed—the allowance to cease, in the case of the boys, at the age of 21; and in the case of the daughters, at the same age unless they are married sooner; —the grants commencing from the date of the father's death.
