Proceedings of the Madras Government, Revenue Department,
25th November 1876.

No. 478. Read the following Proceedings of the Board of Revenue, dated 14th November 1876, No. 2,824 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Hospett, 7th November 1876, No. 418.

In the present distressed state of this district, the taluq officers of the Revenue Department engaged in supervising, &c., the relief works have been relieved of their legitimate duties to enable them to give their whole time to the work.

2. To do this efficiently they are obliged to be almost continually on circuit, and Tahsildars so employed might, I think, be granted some allowance to meet the additional charges which they must incur.

3. I find that such an indulgence was granted in G.O., No. 1,663, dated 13th June 1868, communicated in Board's Proceedings, No. 4,225, dated 4th idem.

4. I would therefore recommend, for favorable consideration, that the Tahsildars so employed should be allowed to draw the pay of the next higher grade during the existence of the distress, or a travelling allowance of 25 Rupees for the time being. They all have to keep an extra horse to get through their work.

Submitted for the favorable consideration and orders of Government. The Collector's proposal, it is observed, is supported by Mr. Thornhill.
