Proceedings of the Madras Government, Revenue Department,
27th November 1876.

No. 490. Read the following letter from A. MACGREGOR, Esq., Resident in Travancore and Cochin, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Fort St. George, dated Trevandrum, 8th November 1876, No. 90 :—

I HAVE the honor to forward copy of a letter* received from the Dewan of Cochin stating that Mr. Stevenson is unable to meet the British and Travancore officers at the trijunction on 20th November as arranged.

* No. 1,046, dated 2nd instant.

2. I have received no intimation of any proposal for postponement from the Coimbatore officers. Mr. Munro has already started, and may be considered beyond the reach of recall.

3. If the Coimbatore officers are prepared to proceed, I do not recommend the postponement of the work merely on account of the absence of the Cochin representative, who would have nothing to say to the line south of the trijunction point.

ENCLOSURE No. 1.

From T. SHUNGOONY MENON, Dewan of Cochin, to A. MACGREGOR, Esq., British Resident in Travancore and Cochin, dated Ernacollum, 2nd November 1876, No. 1,046.

THE Madras Government, in their Proceedings of the 7th July last, fixed the 20th instant as the day on which the representatives of the three Governments should meet at Punnimade-Kuthu, for the purpose of fixing the point of junction of British territory, Travancore, and Cochin.

2. It is, however, only six days since Mr. Stevenson, the Cochin representative, has met with a sad bereavement, his wife having been killed in his presence by a wild elephant while they were both travelling together in the Cochin forests on Thursday last. This has made him for the time being unfit for any active service, and he has accordingly applied for a month's privilege leave.

3. It appears, moreover, from a demi-official letter addressed by Mr. Douglas, the British representative, that he has already suggested the postponement of the meeting for one month or six weeks.

4. Under these circumstances, I beg to suggest that the meeting of the three officers above mentioned be postponed to some day immediately after the Christmas holidays.

Sir,

The Madras Government in their Proceedings of the 7th July last fixed the 20th Instant as the day on which the representatives of the 3 Governments should meet at Punnimade, Kuthu, for the purpose of fixing the point of junction of British Territory, Travancore and Cochin.

This has made him for the time being, unfit for any active service, and he has accordingly applied for a months' privilege leave.

It appears moreover from a D.O. letter addressed by Mr Douglas, the British representative, that he has already suggested the

the postponement of the meeting for one month or six weeks.

Under these circumstances I beg to suggest that the meeting of the 3 officers above mentioned be postponed to some day immediately after the Christmas holidays.
