SIR,

I AM directed to request that *with the permission of His Grace the Governor in Council,* you will be good enough to arrange that, in the monthly trade return No. 15, shewing the gross amount of import duty collected on each article, the amount of duty collected on salt imported from foreign ports, should, for the future, be shewn separately from that collected on salt imported coastwise.

2. The same distinction should be made in the monthly trade return No. 17, in which the drawbacks paid and duty refunded should be shewn separately for imports of salt from foreign ports and imports coastwise.

3. The distinction should also be carried out in the corresponding tables of the annual trade volume, Nos. 15, 15A, and 17, beginning with the volume for the year 1875-76.

4. I am also to request that the information, distinguishing the gross duty collected, and the drawbacks paid and duty refunded, on imports of salt from foreign ports and on imports from Indian ports, may be furnished for each month of the current year, for which accounts have already been transmitted, and for each month of the years 1874-75 and 1875-76.

5. Besides, the information for each of the six years, 1870-71 to 1875-76, should be given in the form annexed, with the least possible delay, it being urgently required for Her Majesty's Secretary of State.

I have the honour to be,
