PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th August 1875.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 31st July 1875, No. 421:—

In returning the Board's petition, No. 1,492 of 1873, presented by Vencata Reddi and others, Dasabandamdars of Palkar Village in the Chittoor Taluq, and referred to me for report with an endorsement, dated 13th instant, I have the honor to state that, during the Jamabandi Settlement of East 1279, it having been brought to the notice of the Settling Officer that the Dasabandam Tank, called "Munchinilla Cheruvu," of which the Board's petitioners are the Inamdars, was not in good order, and required repairs, the Dasabandam, I am pertaining thereto, was ordered to be placed under temporary attachment until such time as the necessary repairs were completed by the Dasabandamdars (Board's petitioners). The petitioners, however, did not take prompt measures for the repair of the tank in question in obedience to that order.

2. The assessment of the Dasabandam Inam lands under attachment was collected under Sevoy Jama and brought to the credit of Government.

3. The Board's petitioners in October 1874 presented a petition to me stating that the necessary repairs to the tank have been completed by them, and the Inam lands should be released from attachment. They also claimed the refund of the money collected during the attachment. On being satisfied on a report received from the Tahsildar of Chittoor that the tank had been put in good order, I ordered the release of the attachment and the restoration of the Inam to the Board's petitioners; but, as a penalty for their long-continued neglect of duty and disobedience to the orders given to them by Revenue Officers, I directed that the assessment collected during the period the Inam was under attachment should not be refunded to them. Five full years passed between the date of attachment of the Inam and the completion of the repairs to the tank. The delay was excessive, and it was only by great good luck that the tank was not breached. The Dasabandamdars, I find, do not care about the restoration of their tank. They continue to enjoy their Inams as long as the tanks are in a servicable state, and in very many instances decline altogether to make any repairs of them, and pray that they may be allowed to convert the Inam into puttan land. The attachment of the Inam and crediting of the profits to Government is a very trifling penalty; and, if it is not enforced, the Inamdars lose nothing by their contempt of the orders issued to them.

4. Under these circumstances, I do not still think that the refund should now be made, and I recommend that the Board's petition under report be dismissed.

RESOLUTION No. 1.—Petition.

The Board are of opinion that, however desirable it might be to punish the Inamdars for their neglect, the legality of crediting to Government the proceeds of the Inam during the period it was under attachment is open to question. The Collector will report the amount with a view to the sanction of Government being requested to the refund.

2. Petitioners will be referred to the Collector.
