Proceedings of the Madras Government, Revenue Department.
4th December 1876.

No. 45. Read the following Proceedings of the Board of Revenue, dated 18th November 1876 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Puduvoil, 16th November 1876, No. 648.

In a letter recently addressed to me as President by Native Surgeon Ruthna Mudaliar, Vice-President of the Conjeveram Municipality, when bringing to my notice the distress prevailing in that town, he recommends the immediate commencement of the projected railway line from Conjeveram to Chingleput junction as a ready means for affording employment to those out of work.

2. This link in the line is, in my opinion, about the most important portion of the railway in the district, connecting as it will the Madras and South Indian Railways, and opening Conjeveram to the south; and if, as I am informed, it is really in contemplation to construct it shortly and the outlay is decided on, I would suggest for favorable consideration whether the work might not be put in hand at once. The Board have recently sanctioned, on the report of the Sub-Collector, 10,000 Rs. for relief works in Conjeveram and Chingleput; and if the line is undertaken it may lessen further special expenditure in these taluqs, should the rain continue to hold off.

SUBMITTED for the orders of Government.
