*Proceedings of the Madras Government, Revenue Department,
4th December 1876.*

No. 53. Read the following Proceedings of the Board of Revenue, dated 18th November 1876, No. 2,883.

Read the following letter from J. G. HOBBS, Esq., Acting Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Tirumungalam, 15th November 1876, No. 430.

I HAVE the honor to request that I may be permitted to authorize the ryots as a special case, owing to the disastrous nature of the season, to raise free of tax in the beds of tanks the following descriptions of produce:—Cucumbers, Pagal melons, and gourds. I am aware that the cultivation of the beds of tanks is strictly forbidden, but I believe that the planting of the above vegetables will cause comparatively little mischief; in no case will the bed of the tank be allowed to be ploughed up, whereas by permitting this cultivation this year we shall obtain a wholesome food-supply for the people.
