*Proceedings of the Madras Government, Revenue Department,
4th December 1876.*

No. 78. Read the following Proceedings of the Board of Revenue, dated
December 1876, No. 3,031.

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Cuddalore,
to J. L. S. OKES, Esq., Acting Secretary to the Board, dated
21st November 1876, No. 316.

I have the honor to request that the Board will sanction a further sum to be spent
on relief works.

2. I estimate that the expenditure on relief works, both in the main and the
sub-divisions, for the next month will be not less than 10,000 Rupees for each taluk. In
Cuddalore Taluk it will probably be 20,000 Rupees. I shall, therefore, require a sum
of Rupees 1,20,000 for relief works, and Rupees 10,000 to meet the charges of grain
received from Madras and sent to the Kurnool District.

3. I therefore request that the Board will sanction Rupees 1,30,000 in addition
to the amount of Rupees 1,70,000 already placed at my disposal.

Sanctioned and submitted for the information of Government.

Acting Secretary.

No. 79. Order in Council, 4th December 1876, No. 1,912.

Miscellaneous

The Board have no doubt impressed
on Collectors the necessity of carrying out
all relief works opened in a systematic
manner, providing for the accounts of expenditure being carefully and accurately
kept, and that the value of works executed should not be out of proportion to the
amount expended. They will be good enough to state exactly what orders they
have issued to effect these ends;—also what rules they have laid down for the
preparation of approximate estimates and to ensure a proper return for the outlay,
consistently with the important object of providing full and immediate relief to the
distressed poor.

Proceedings of the Madras Government

Board Proceedings of the Board
of Revenue dated 1st December 1876. No.
Sanctioning R. 530000 for relief works in
the Cuddalore District.

Order No. 4, 4th December 1876, No. 1712

The Government are anxious that
the Board should impress on District
the necessity of carrying out the relief
works opened in a systematic manner,
and as far as possible in conformity
with the standing orders for the execution
of Public works. The accounts of
expenditure must be carefully and
accurately kept, and the value of
work executed should not be out
of proportion to the amount ex-
pended. Estimates in the case of
all ~~important~~ works should in the
first instance be prepared and

progress reports in a form which the
Board will prescribe should be
submitted every week. Every care
should be taken to prevent waste
and to secure proper return for the
outlay consistently with the important
object of affording relief to the
distressed poor.
