No. 94. Read the following Proceedings of the Board of Revenue, dated 25th November 1876:—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 9th November 1876, No. 532.

I HAVE the honor to forward a list of persons who have a service of over ten years in the Huzur and in the taluq establishments, and request that they may be exempted from passing the General Test Examination.

2. The persons that were exempted in G.O., No. 270, dated 20th February 1875, have since been promoted.

There are at present four vacancies for which competent men cannot be found among the passed candidates.

The passed candidates eligible for promotion, of whom there are at present ten in number, are young men of little or no experience, with a service varying only from sixteen to four months, and could not be entrusted with important duties.

3. Owing to the backward state of education in this district, passed candidates were not available for a long time, and the result is that there are no less than sixty-eight men in service who have not passed the required examinations, but many of whom are men of experience capable of performing their duties efficiently.

4. Besides the four vacancies mentioned above, there is another at Markapur, a Gumastah's place, and Mr. Farmer recommends two Gumastahs of his Sub-Registry Office in Cumbum and Markapur for exemption to fill it up.

I must say I am not prepared to uphold Mr. Farmer's recommendation, seeing that the Gumastahs belong to a department with which I have little or no concern, and are appointed by the Tehsildars without any check from among their relatives or friends.

5. As it is very likely that the men now recommended for exemption will soon be promoted, I propose to recommend some more men shortly who have gone up for the General Test successively for three or four years, but failed in certain subjects in one year and certain others in the next year, and so on, and shall then forward a supplemental list, that I may have enough of passed candidates in readiness to meet the exigencies of public service from time to time.

(Extracted) have recently declared that they will not sanction any further relaxation of the Examination Rules. The Board, therefore, are unable to forward this application.

Acting Secretary.

Miscellaneous.

THE Government are not prepared to sanction any general relaxation of the Examination Rules in Kurnool, but consider that all inconvenience will be avoided by the concession granted in G.O., 29th November 1876, No. 1,851.

Secretary to Government.

To the Board of Revenue,
