Proceedings of the Madras Government, Revenue Department.
5th December 1876.

No. 99.

Dated 5th December 1876, No. 1,923.

"I request to state that two travellers, an old man and a boy, were found dead in a small chuttram on the roadside near Nagiraddepally. No one knows who they were. These poor creatures had, it is supposed, come from the Cuddapah side, and had reached the chuttram in an exhausted state, and being alone, had died there from want of food."

"Orders have been sent out to all Reddies and Karnams that they are to give food to all distressed travellers who actually require it, and that they will be held responsible for this being done, and that the cost will be repaid by Government."

On perusal that the passage in the demographical diary of the Hon. D. Arbuthnot, Member of the Board of Revenue, now on circuit, dated Kanchipalle, 25th November 1876—relating to the death of two travellers from starvation, and stating the orders which have been issued in consequence to all headmen and Karnams of villages, be circulated to all Collectors of districts:—in view to the early promulgation of similar instructions in every part of the Presidency.
