Proceedings of the Madras Government, Revenue Department,
6th December 1876.

No. 111. Read the following Endorsement from the Acting Secretary to the Board of Revenue, dated 16th November 1876:—

Read the following letter from Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Trichinopoly, 23rd November 1876, No. 1,849:—

I have the honor to forward herewith, for addressant by the Collector of the Godavery District to the Secretary to the Hon. the Revenue, dated the 25th September last, No. 296, by whom it was transferred to me for disposal on the 16th instant.

2. In the set to of the Subordinate Establishment of the Forest Department sanctioned by the Government of India, vide extract from G.O., dated the 11th January 1876, No. 39, an establishment, at an yearly outlay of Rs. 93, was authorised for the conservancy of the Godavery forests. As I have since been placed in charge thereof, the Collector of that district and myself think to entertain a small office establishment, at a cost of Rs. 34 per mensem. As I shall shortly proceed to the Godavery forests, and pending the decision of my report thereon I request the favor of Government will be pleased to record their temporary sanction for the entertainment of the establishment in question until the end of the current official year. The cost to be met from general savings.

From R. HOPE, Esq., Acting Collector of Godavery District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Rajamundry, 25th September 1876, No. 296.

I have the honor to inform you that Mr. Ibbetson, whom the Government appointed as officer in charge of the forests of Bhadrachellam Road, has arrived on the 18th instant, and is preparing to go to the Bhadrachellam forest.

2. The Jungle Duraya has only one Clerk and four Peons to guard the forests, &c., and it is not possible to spare the services of any of these. Mr. Ibbetson, I have therefore, allowed him to entertain two Peons on Rs. 7 each and a Clerk on Rs. 20 per mensem as subordinate establishment, which I request that the Board will please to sanction hereby.

3. For the present Mr. Ibbetson will require assistants to explore and inquire about the forests, and will probably have to travel among the hills. Considering also the unhealthy climate in which the establishment is to be employed, I do not think that the salaries I have proposed are anything but excessive.

Endorsement to the Conservator of Forests for disposal.

(Signed) H. E. SPOONER,
Secretary.
