*Proceedings of the Madras General Revenue Department,
6th December 1876.*

No. 111. Read the following Resolution of the Acting Secretary to the Board of Revenue, dated 16th November 1876.

Read the following letter from Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Tripunivetta 2nd November 1876, No. 1,849.

I have the honor to forward herewith for address to the Collector of the Godavery District to the Secretary to the Board of Revenue, dated 25th September last, No. 296, by which it was transferred to your disposal on the 16th instant.

2. In the scale of the Subordinate Establishments of the Forest Department sanctioned by the Government of India, indicated in G.O. dated the 11th January 1876, No. 39, an establishment, at a salary outlay of Rs. 93, was authorized for the conservancy of the Godavery forests, an officer having since been placed in charge thereof, the Collector of that District is requested to entertain a small office

at a cost of Rs. 31 per annum. As I shall shortly proceed to the Godavery forests, and pending the completion of my report thereon, I request that the Government will be pleased to accord their temporary sanction for the entertainment of the establishment in question until the end of the current financial year. The cost can be met from general savings.

Dispositive of the Board of Revenue, dated 16th November 1876, No. 1,849.
From J. H. P. Esq., Acting Collector of the Godavery District, to D. F. CARMICHAEL Esq., Acting Secretary to the Board of Revenue, dated Tripunivetta 25th September 1876, No. 296.

I have the honor to inform you that Mr. Boleau, whom the Government appointed as officer in charge of the forests of Bhadrachalam Dist. has arrived on the 18th instant, and is preparing to go to the Bhadrachalam Taluq.

2. The Jungle Donga has only one Clerk and ten Peons to guard the forests, &c., and it is not possible to spare the services of any of them. Mr. Boleau has therefore allowed him to entertain two Peons on Rs. 7 each and a Clerk on Rs. 20 per month in anticipation of sanction, which I request that the Board will be pleased to accord.

3. For the present, Mr. Boleau will have to employ a few more Peons and a few more about the forests, and will probably have to travel about the forests. Considering also the unhealthy climate in which his establishment is to be employed, I do not think that the salaries I have proposed are anything but moderate.

Transmitted to the Conservator of Forests for disposal.
