No. 193. ORDER THEREON, 9th December 1876, No. 1,970.

Land Revenue, No. 5.

The Government sanction the assignment of fresh land as is proposed, on the understanding that the necessity for the same has been satisfactorily established. Any attempt on the part of Inamdars to exchange less for more valuable land on unsubstantiated pleas should be discouraged. It is presumed that, in the present case, the puttalidar, who agreed to make over his land to the Churnam, has been induced to do so under certain special arrangement with that official.
