Statement showing the work done in settling compensation for land taken up for the Northern Extension of the South Indian Railway and the approximate quantity of work remaining to be done in the Tanjore District, submitted with reference to the Revenue Bd's Proceedings of 1st April 1875, No. 786.

Distance of the whole line in miles	Probable extent & value of the land to be purchased 1876.	Land taken up during the 2 nd quarter ending on the 30 June 1876.	Total	Balance	Remarks.				
Extent Acres	Value Rs.	Distance Miles	Extent Acres	Value Rs.	Distance Miles	Extent Acres	Value Rs.	Distance Miles	
60 miles, 57 chains, 65 links.	1100 2,15,000	60-57-65	1046 204,442	15.52	60-57-65	1061.79	38.21	As it was shown in the last return the land required for the whole line in the Tanjore District has been made over to the Railway authorities and the compensation for it has been almost all paid.	

the value of the land will be shown in the next return as the land has not yet been settled in the 2nd quarter.

Though no land was to be transferred in this quarter except the 15 and odd acres shown in the statement, yet there having been a large sum of compensation money to be paid to the owners of the land, and the accounts connected with it to be closed, the chief attention was paid to it during this quarter, only, the compensation statement for June is due; and it will be submitted in a few days. This office was to be abolished by the end of this month (July) vide Government Order, No. 279, dated 25 February 1876; but the applications for land for three large stations at Tirindanavudalur, Karaikudi, & Kuttalam having been received only in last week, the office will have to be retained till the end of next month (August) if permitted by Government about which special application is made.

Rev 183/16

Objection Statement on the Pension Bill of South Canara for August paid in September 1875.

1926/11

Nature of payment	Items under objection	Nature of objection	Explanation	Orders.
Allowance drawn by Jari Brahmediga				
Amount of pension drawn by Venkatramana Addi (present Gouramma) for Fasli 1283 and 1284	10 10 4	Objected to. The payment of these allowances which are in arrears for two years, requires the previous sanction of Government, under standing Order of the Board of Revenue No. 1799 page 169 (Dalyell's Edition). The confirmation of Govt. should however now be obtained. A similar objection dated 11 th Sept. 1875 has not yet been replied to. The Treasury Officer's attention is directed to N.B. at the top of objection statements, and he is requested to afford the necessary explanation within a reasonable period or report why he is unable to do so.	The allowances herein referred to are annual allowances paid in lump once a year. The Board's standing order under which a pension due in arrears for more than six months cannot be disbursed without sanction being previously obtained, does not therefore apply to them as their payment is regulated by yearly and not monthly instalments. It is therefore requested that the items under objection may be passed.	No 10-10-4. As Gouramma's allowance was left in arrears for 3 Faslis, viz: 1282 to 1284 the payment thereof made for the latter two Faslis requires the confirmation of Govt. under standing Order of the Board of Revenue No. 1799 page 169 which says that Allowances left in arrears for two years will lapse except the special sanction of Govt. be obtained for their continuance. The objection cannot therefore be removed pending receipt of the necessary orders of Govt. confirming the payment. The allowance still due to Gouramma for Fasli 1282 should not for the same reason be disbursed to her without the previous sanction of Govt. being obtained.
D.D. by Parneshra Kealura for D.D.	3 10 4	Enquires in what month's Bill the payment of Venkatramana Addi (present Gouramma) allowance for Fasli 1282 was included.	The objection statement in question was replied to on the 2 nd instant. It could not have been replied earlier owing to a report called for from the Tahsildar of Udipi on the subject not having been received in this Office till the 28 th Oct. last. The Tahsildar of Udipi reports that the allowance due to Gouramma for Fasli 1282 has not yet been paid owing to the same not having been claimed by her. Orders will however be now issued to the Tahsildar of Udipi for its disbursement at an early date.	No 3-10-4. Under the explanation afforded the payment of Parneshra Kealura's allowance for Fasli 1284 is admitted, but the allowance for Fasli 1283 made after six months from the date on which the same fell due cannot be admitted without the confirmation of the Board of Revenue as required by their Pro. No. 1020 dated the 23 rd April 1875. The objection as regards this item is therefore reduced to No. 1-13-2.
