PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd August 1876.

Read the following letter from H. W. BLISS, Esq., Acting Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 31st July 1876, No. 285:—

FOR Statement No. 3 of the present Village Manual it is now proposed to substitute Statement No. 15 that accompanied the Board's Proceedings No. 1,261, dated 15th May 1876. Both statements show the monthly kist due, and collection made, from each ryot. The Ryotwar kist and collections alone are entered in the present No. 3, but not Sevoyjama land-cess or fish-rent. The new Form No. 15 also appears to refer to Ryotwar alone. One of my Tahsildars suggests that separate forms may be used for the entry of the other items, on the ground that in case of their being entered in one and the same statement it would not only increase its bulk but also entail great labor and difficulty on the part of the Curnums when the totals of each item need to be ascertained. I also agree with the Tahsildar, and request, therefore, the Board's sanction for the adoption of separate forms for the above items (Sevoyjama, &c.).

STATEMENT No. 15 is intended to include Ryotwari revenue, Miscellaneous revenue, and Local and Special Funds—*Vide* Appendix No. 14.

2. It would not be convenient to prepare separate statements for each item of revenue, as sometimes Ryotwari puttas include local and special funds, and the same individual will have to appear in the lists in more than one place. The total demand, collection, and balance of each item for each individual and for the whole village are shown in Statement No. 13 and its enclosure.
