Read—

Financial Resolution, No. 2452, dated the 17th April 1873.

Read also the undermentioned papers containing representations to the effect that, unless the orders prescribed in the above Resolution be so modified as to permit contributions being made as before from Local Funds to avert deficit under certain heads in the accounts of Provincial Funds, the latter accounts will be in continual and increasing deficit:—

Letter from the Secretary to the Government of the Punjab, No. 458, dated 9th March 1875, and enclosures.

Extract of a letter from the Accountant-General, Central Provinces, No. 931, dated 15th May 1875.

Letter from the Chief Commissioner of Oudh, No. 866, dated 24th February 1876.

RESOLUTION.—The Governor-General in Council observes that, under the order of April 1873, charges which until the introduction of the scheme of Provincial Assignments used to be recorded against the grants now incorporated in these Assignments should not be recorded against Local Funds, and charges which till then used to be adjusted under Local Funds should not be recorded against the Provincial Assignments. The object of this order was to prevent transfers from Provincial Funds to Local Funds, or *vice versa*, which might disturb the comparison of the accounts of services now provided for in 1876 with those preceding year. But it was not intended to prohibit the expenditure of local funds upon Provincial Services, or the record in the accounts of Provincial Funds of contributions made, with this object, from Local Funds for Provincial Services. So long as the whole expenditure upon each Provincial Service is clearly shown and not mixed up with expenditure directly from Local Funds, there is no objection to such contributions, which should, however, be always recorded under a separate head of account.

Ordered that this Resolution be sent to the Comptroller-General with a request that he will be good enough to issue any requisite subsidiary orders; also

*Except Hyderabad and Mysore.

that a copy be sent to the several Local Governments and Administrations,* and

to the Accountants-General and Deputy Accountants-General in independent charge.

Proceedings of the Madras Government, Financial Department,
23rd August 1876. No. 1522.

Municipal—Lands.

No. 149. Read letter from H. SEWELL, Esq., President of Municipal Commission, Trichinopoly, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Trichinopoly, 18th August 1876, No. 13.

I have the honor to request you will kindly obtain the sanction of Government for exempting the three pieces of land hereinunder mentioned from payment of land revenue from the current Fashi.

2. The first is a piece of punjah land situated at a village called Ariyaman-galam beyond municipal limits, and is the site where the contents of all the municipal night soil carts are deposited. The Municipality derives no profit from this. The small amount of money realized by the sale of the soil is hardly sufficient to cover the pay of the establishment kept at the depôt. It cannot be ascertained how this land came under the possession of the Municipality.

3. The second is a piece of land on the north-western boulevard purchased by the Municipality from Mrs. Martin, who was the last Puttahdar. It was acquired, I believe, solely for the purpose of widening the boulevard road. There are no fruit trees on the land, and it is simply lying waste.

4. The third and the last is the place where the municipal straw market has been built. The land was handed over to the Municipality by Government. Though the Municipality derives profit from this, still it has been built for the use of the community in general who vend grass and other things therein.

The value of these three lands and the rents on them respectively are—

„ 2	1	5	...	2	0 0
„ 3	1	76	...	6	13 0

6. The amount is very trifling, and it is rather with a view to simplification of accounts than to relieving the Municipality that this request is made.

No. 150.

ORDER THEREON, 23rd August 1876, No. 1522.

The transfer of the land to Poramboke is sanctioned.
