Lands taken up for Roads and Channels in Kalastri Zemindari.—Sanctioning the payment of Rupees 32-12-1 being the amount of compensation in connection with the —.

No. 2,446.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st August 1875.

Read the following letters:—

From W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Vencatagherri-kota, 24th June 1875, No. 341.

With reference to paragraph 4 of Government Order contained in their Proceedings, dated 31st July 1874, No. 755, sent to the Collector of Nellore, I have the honor to inform you that, as the Zemindar of Kalastri remits to this district treasury the peishcush of the entire zemindari situated in this and Nellore Districts, the deduction of Rupees 183 ordered to be made in the Government Order above referred to has been effected from the current fasli. The present peishcush being Rupees 1,76,999, the future peishcush will be Rupees 1,76,816 after the above deduction.

From the same Officer, dated Palmanair, 8th July 1875, No. 379.

In continuation of my letter, dated 24th ultimo, No. 341, I have the honor to inform you that, at the request of the Kalastri Zemindar for the refund of Rs. 366, being the amount of reduction in his peishcush for Faslis 1282 and 1283 in pursuance of G.O., No. 955, dated 31st July 1874, sent to the Collector of Nellore, I ordered the payment of the same.

2. The Zemindar at the same time having claimed interest for the said amount for the back faslis, I informed him that he was not entitled to it because nothing was said about interest in the Government Order above quoted. He, however, is dissatisfied with my reply, and again urges his claim for interest. Under these circumstances, I request the orders of the Board of Revenue in the matter. I do not recommend the payment.

THE Zemindar is clearly entitled to the interest claimed. It was allowed up to Fasli 1281, and there is no reason why it should not be allowed for the subsequent years. The Collector is requested to report the amount due. The interest should be calculated at six per cent. per annum from the commencement of the fasli following that in which the deduction should have been made up to the date of payment of Rupees 366 referred to in the Collector's letter No. 379.
