THE lists received are for the half-years ending 30th September 1875 and 31st March 1876. No lists have yet been received from the districts noted in the margin. In some districts, the Collectors have given only such names as did not appear in the previous lists, while others have given the names of all such as continued out of employment at the date of the preparation of the list. The latter is the correct course, and should be adopted by all Collectors in future. The lists now received will be published as submitted in the *Fort St. George Gazette*.

2. Whenever there are no names for entry, Collectors should invariably send blank returns.
