Proceedings of the Board of Revenue
Dated 21st September 1876

Read Statement from the Ag. Collector
of Cuddapah dated 16th September
1876, shewing the prices of food grains
in the principal markets of the District
during the week ending 10th September
1876 as compared with the corresponding
period of the previous year.

Submitted for the information
of Government.

2. Prices seem to be higher in Cuddapah
than in Bellary and have an upward
tendency almost every where throughout
the District. In the Kadiri Taluq.
especially

especially there has been a heavy rise
(25 per cent) as compared with last return
in the price of the three grains most
in use, viz Chann, ragi, and Sajja.
