No. 3,262.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st December 1875.

Read the following Memorandum from the Controllor of Public Works Accounts, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Fort Saint George, 13th November 1875, No. 46 B —

As requested in Official Memorandum, No. 1,613, dated 1st October 1875, from the Secretary to the Board of Revenue, the undersigned has the honor to forward two statements showing the outlay on Communications, New Works and Repairs on the Nilgiri Hills from 1863-64 to 1868-69.

2. The outlay from 1865-66 has been taken from the Progress Reports and books of this office for the Nilgiri District.

3. Previous to 1865-66, the Nilgiri Hills formed a portion of the Coimbatore District. The required information had therefore to be taken from the Progress Reports rendered to this office for that district for 1863-64 and 1864-65.

4. The information given for this latter period has been rendered complete as far as this office has been able to judge from the description given in the Progress Reports of the several works whether they belong to the Nilgiri or the Coimbatore District.

(Signed) L. CONWAY-GORDON, Capt., R. E.,
Controller of Public Works Accounts.
