No. 74. Read letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 23rd August 1876, No. 3877.

I have the honor to submit, for the consideration of Government, a let the Acting Superintendent of Police, Kurnool, recommending that the increase of pay allowed to Government servants in the Revenue and Public Works Departments at Cumbum should be extended to the Police, whether natives of the place or not, viz., Rupees 3 to all servants drawing less than Rupees 15 per mensem and Rupees 7 to all on higher salaries.

2. When I addressed the Government on this matter previously (*vide* my letter, No. 5460, dated 16th November 1875) I wrote on the general question. I had visited Cumbum myself in the previous year, and, although the men undoubtedly suffered from fever, I could not find that they were worse off in this respect than men at many other feverish stations in that and other districts, and, as most of the Police were natives of Cumbum, there was no discontent. But, now that extra pay has apparently been granted to Government servants in all other departments, whether natives of Cumbum or not, it seems hard upon the Police that they should be excluded. The extra cost will be Rupees 195 per mensem, or Rupees 2,340 per annum.

From Captain W. H. St. A. WILTON, Acting Superintendent of Police, Kurnool, to Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, Madras, dated Kurnool, 14th August 1876, No. 296 (through the Deputy Inspector-General of Police).

I have the honor to inform you that, owing to the unhealthiness of Cumbum, the Government have granted an addition to the pay of all employés in the various departments there, whether natives of the place or not, whose monthly stipend does not exceed Rupees 100, and to request that you will be good enough to obtain sanction for a similar indulgence being made to the Police stationed there.

2. In the Revenue and Public Works Departments a fixed allowance of Rupees 3 to all servants drawing less than Rupees 15 per mensem and Rupees 7 to all on higher salaries has been allowed, whilst in the Judicial Department a monthly increase of Rupees 7, Rupees 5, and Rupees 3 respectively has been made to the pay of the various goomastahs, peons, &c.

3. The strength of the Police Force in Cumbum at present is six men drawing Rupees 15 and over, fifty-one men drawing less than Rupees 15, so that, were extra pay on the scale obtaining in the Revenue and Public Works Departments granted to all the Police, whether natives or not, the total extra expenditure monthly would be Rupees $42 + 153 = 195$; if, on the other hand, the privilege be merely extended to those who are not inhabitants of Cumbum, then only three Head Constables and about six Constables would be entitled to the extra allowance, and the additional cost monthly would be Rupees 39.

The Police appear to be as deserving of extra allowance as any one else, and should get it irrespective of their being inhabitants of Cumbum or not.

17th August 1876.

(Signed) H. D. CLOETE,
Deputy Inspector-General.

*Proceedings of the Madras Government, Judicial Department,
19th September 1876. No. 1905.*

No. 75. ORDER THEREON, 19th September 1876, No. 1905.

The Governor in Council observes that the temporary allowance to certain Cumbum officials to provide themselves with medical comforts will expire on 2nd October 1876, when the subject will have to be reconsidered, and any continuance of the allowance will need the sanction of the Government of India.

2. Under these circumstances, and as the Inspector-General of Police ~~and the~~ does not consider the extra allowance to be necessary in the case of ~~the~~ at Cumbum, on whose behalf no recommendation has hitherto been submitted, the Governor in Council desires that their case may be brought under consideration together with the question of the continuance, if any, of the allowance to the other officials at Cumbum.
