Pensions and Gratuities.

RESOLUTION.—Recommendations for the grant of jagirs, assignments of land revenue, political or charitable pensions, and the like, sometimes reach the Financial Department for consideration after the Government of India is committed to the grant by proceedings taken either through the local Governments or otherwise which have become known to the parties concerned.

2. The Governor-General in Council is now pleased to desire all authorities carefully to abstain from giving rise to any hopes or expectations of any such grant, or in any way committing the Government thereto until the Government of India in the Financial Department has consented to the grant.

Ordered that copy of this Resolution be forwarded to all local Governments and Administrations for information and guidance.

Also to the other departments of the Government of India with a request that no steps be taken calculated to embarrass the perfect freedom of the Government of India in dealing with such an application until it has been considered in the Financial Department.

Secretary to the Government of India.
