G.O. No.	237	Press
B.P. No.		Mis.

Dated 17-2-1876 196 .

*Proceedings of the Madras Government, Revenue Department,
17th February 1876.*

No. 217. Read the following Proceedings of the Board of Revenue, dated 2nd February 1876, No. 318:—

Read again Board's Proceedings, dated 14th August 1875, No. 2,289.

Read also the following letter from H. St. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 14th December 1875, No. 2,231.

With reference to Board's Proceedings, dated 14th August last, No. 2,289, I have the honor to forward herewith a revised statement showing the cost-price per garce of salt manufactured at Bimlipatam, Konada, and Balacheruvu, during the past five faslis.

ENCLOSURE No. 1.—Statement.

The Board resolve to request the sanction of Government for adding the two stations noted in the margin to the list

1. Konada.
 2. Balacheruvu in the district of Vizagapatam.
- of those at which Government salt is allowed to be sold for export by sea.

2. At present there is no place in the district of Vizagapatam at which salt can be sold for export by sea, and the Collector states that at the two stations named above the manufacture of salt can be increased so as to admit of a fair quantity of salt being available for exportation.

3. The cost-price, computed with reference to the average charges for the past three years, is reported by the Collector to be Rupees 17-11-2 per garce at Konada and Rupees 20-12-5 at Balacheruvu. There is, however, a mistake in the calculation, the Collectors having calculated the cost on the total quantity of salt manufactured and brought into store instead of on this quantity *minus* wastage. According to the correct calculation, the cost amounts to Rupees 18-6-0 at Konada and Rupees 23-6-0 at Balacheruvu. The Board recommend that, pending any further revision of the price which may be necessary with reference to the inquiries as regards the cost of salt to Government which are now being made, the price of salt for export by sea be fixed at Rupees 18-6-0 a-garce at the former and Rupees 23-6-0 a-garce at the latter station.
