The Board observe that no revised Local Fund Budget for 1876-77 is needed in consequence of the retrenchment of five lakhs of Rupees from the Provincial grant assigned for roads.

2. No funds were withdrawn from the five Circles marginally noted to meet the retrenchment. Seventeen Circles contributed solely from the Road Fund Balance and Reserve. There remain twelve Circles in which the allotments for works are affected as shown below :—

Chingleput, Madanapully, Salem, Oossoor, and Nilgiris.

3. It will thus be seen that of the five lakhs retrenched, only Rupees 78,490 are to be met from the allotments for works, leaving Rupees 4,21,510 to be provided from the unappropriated Road Fund Balance and Reserve of the Circles noted in the margin, so that the whole of the allotments in the current year's Budget for unsanctioned works and those on which no expenditure was incurred up to the current year need not be absolutely withdrawn.

4. The Examiner of Public Works Accounts is requested, in communication with the Accountant-General, to arrange for the deduction, from the total allotment already placed at the disposal of the Public Works Department, of Rupees 78,490, the particulars of which are given in the statement annexed to paragraph 2 *supra*.
